Lab 0

Requirements Not Met

I was unable to create a GitHub Classroom repository.

Problems Encountered

I encountered a repository access issue on GitHub Classroom.

Applications

I will be applying all of the content from this Lab throughout the semester. The software I installed is necessary for the DE-10 Board and GitHub Classroom is essential to submitting assignments.

Pre-Lab Questions

1. When are your pre-lab submissions due?
    a. Pre-lab submissions are due Sunday night, 11:59 PM the week of the corresponding lab.
2. What, if any, is the late penalty for pre-lab submissions?
    a. The late penalty for pre-lab submissions is a 25% point deduction.
3. How are you to submit your pre-lab submissions?
    a. Pre-labs are to be submitted through GitHub.
4. If you miss your lab (or are more than 20 minutes late), can you make up the lab? Can you drop multiple labs?
    a. You may make up a missed lab if you have proper documentation and can another section the same week. You may only drop one lab.
5. Who should you contact regarding anything lab related?
    a. Your PI is the first point of contact for anything lab related.
